Lady Jane Elliot of the SAPC is no longer resident in the country and therefore no longer available to solemnize Civil Unions or Marriages.

The Services of a Pagan RMO are for free, as per the Civil Union Act. This means an RMO may NOT charge you for services rendered.

Travelling cost, accommodation and refreshments may be paid by the wedding party for the RMO

Some RMO's may work in conjunction with wedding co-ordinators, who are independent (possibly not Pagan) and may work for a predetermined and negotiated fee, which if agreed upon, must be paid to them and not the RMO. The services of the RMO are for free.
